accessible and interesting for students in short the book provides a singular introduction to the way that philosophy has dealt with the big questions of life that we are all tempted to ask

ethics and the history of indian philosophy by shyam rangathan presents a compelling systematic explication of the moral philosophical content of history of indian philosophy in contrast to the received wisdom in indology and comparative philosophy that indian philosophers were scarcely interested in ethics unlike most works on the topic this book makes a case for the positive place of ethics in the history of indian philosophy by drawing upon recent work in metaethics and metamorality and by providing a through analysis of the meaning of moral concepts and philosophy itself in addition to explicating the texts of indian authors in rangathan s account indian philosophy shines with distinct options in ethics that find their likeness in the writings of the ancient in the west such as plato and the neo platonists and not in the anthropocentric or positivistic options that have dominated the recent western tradition

this book compares two major leisure activities watching sport and engaging with art it explores a range of philosophical questions that arise when sport and art are placed side by side the works of shakespeare rembrandt and mozart have continued to fill playhouses galleries and concert halls for centuries since they were created while our interest in even the most epic sporting contests fades after just a few years or even a single season what explains this difference sporting contests are merely games so why do sports fans attach such great importance to whether their team wins or loses do sporting contests have meaning in the way works of art do beauty is a central value in art is it important in sport what role does morality play in sport and art what value do sport and art contribute to the world and to the meaning of people s lives

what are we asking when we ask what is the meaning of life can there be meaning without god is a happy life a meaningful life can an immoral life be meaningful does our suffering have meaning does death threaten meaning what is this thing called the

meaning of life provides an engaging and stimulating introduction to philosophical thinking about life's meaning goetz and seachris provide the reader with accessible examples before looking at the main theoretical approaches to meaning and key philosophers associated with them topics covered include what does the question what is the meaning of life even mean does life have a purpose what is valuable do we matter does life or my life make any sense is there any meaning in suffering does death threaten meaning would immortality be good or bad news for us with boxed summaries of key concepts and noteworthy examples discussion questions and suggestions for further reading included within each chapter this book is the ideal introduction to life's meaning for philosophy students coming to the subject for the first time

a reprint of the 1880 classic work by john caird
